---

## EDUCATION

2023-Present	<b>Ph.D. in Linguistics</b> Minor in Cognitive Science Member of Linguistic Meaning Lab, Computational Psycholinguistic Discussions	Cornell University
2019-2023	<b>B.A. in English</b> Summa Cum Laude (graduated with outstanding thesis award)	Xiamen University

## PUBLICATIONS

2025	<b>Yifan Wu</b> & Helena Aparicio. “First-person metalinguistic disagreements update the standard of precision, both up and down.” In <i>Proceedings of the 35th Semantics and Linguistic Theory (SALT 35)</i> . (12.6% accept).
2025	<b>Yifan Wu</b> & Helena Aparicio. “Disagreements do not automatically raise the standard of precision.” In <i>Proceedings of the 3rd Experiments in Linguistic Meaning (ELM 3)</i> , 3, 435-446. <a href="#">[link]</a> (14.7% oral).
Under review	<b>Yifan Wu</b> & Helena Aparicio. “Meaning adaptation in the discourse dynamics of imprecision.”

## EDITED VOLUMES

2024	Yao Zhang, Fengyue (Lisa) Zhao, Youngdong Cho, and <b>Yifan Wu</b> (eds.). <i>Proceedings of the 34th Semantics (SALT34)</i> . University of Rochester.
------	--

## CONFERENCE PRESENTATIONS (PEER-REVIEWED ABSTRACTS)

2025	“First-person metalinguistic disagreements update the standard of precision, both up and down.” The <i>35th Semantics and Linguistic Theory (SALT 35)</i> , May. Poster (12.6% accept).
2024	“Disagreements do not automatically raise the standard of precision.” The <i>3rd Experiments in Linguistic Meaning (ELM 3)</i> , Jun. Plenary Talk (14.7% oral).

| “Disagreements do not automatically raise the standard of precision.” The *37th Annual Conference on Human Sentence Processing (HSP 2025)*, May.

## PEER-REVIEWED ABSTRACTS

- 2025 | **Yifan Wu** & Helena Aparicio. “First-person metalinguistic disagreements update the standard of precision, both up and down.” The *35th Semantics and Linguistic Theory (SALT35)*, May. Poster (12.6% accept).
- | Ashlyn Winship, Zander Lynch, John R. Starr, **Yifan Wu**, Lucas Li, & Marten van Schijndel. “Experimentally extracting implicit instruments.” The *4th Workshop on Processing and Evaluating Event Representations (PEER)*, April.
- | Ashlyn Winship, Zander Lynch, John R. Starr, **Yifan Wu**, Lucas Li, & Marten van Schijndel. “Experimentally extracting implicit instruments.” The *38th Annual Conference on Human Sentence Processing (HSP 2025)*, March. Poster.
- 2024 | **Yifan Wu** & Helena Aparicio. “Disagreements do not automatically raise the standard of precision.” The *3rd Experiments in Linguistic Meaning (ELM 3)*, Jun. Plenary Talk (14.7% oral).
- | **Yifan Wu** & Helena Aparicio. “Disagreements do not automatically raise the standard of precision.” The *37th Annual Conference on Human Sentence Processing (HSP 2024)*, May.

## FELLOWSHIPS & AWARDS

2024-2025	Cognitive Science Graduate Research Award, Cornell University	(\$1, 000)
2024	Graduate School Conference Travel Grant, Cornell University	(\$400)
	Linguistics Department Conference Travel Grant, Cornell University	(\$500)
2023-2024	Sage Fellowship, Cornell University	(\$70, 000)
2023	Outstanding Undergraduate Thesis Award (top 1%), Xiamen University	
2022-2023	Erudite Scholarship, Yichun Zhang Scholarship, (top 1%), Xiamen University	
2022	Best Play Director Award, Xiamen University	
2020-2022	Research Innovation Scholarship, 1st-Class Scholarship, (top 3%), Xiamen University	

## TEACHING

#### GTA at Cornell University:

2025	Spring	LING1101   COGST1101: <i>Introduction to Linguistics</i>	Cornell University
2024	Fall	LING1101   COGST1101: <i>Introduction to Linguistics</i>	Cornell University

#### UTA at Xiamen University:

2022	Fall	<i>English Debating Skills</i>	Xiamen University
2022	Fall	<i>Consecutive Interpreting between English and Chinese</i>	Xiamen University

## RESEARCH ASSISTANTSHIP

2022	<b>Research Assistant</b> , PI: Dr. Wing Yee Chow, University College London (UCL) - Projects: Listener's update of predictions with unexpected information; Listener's use of phonological knowledge in language prediction
2022	<b>Research Assistant</b> , PI: Dr. Charles B. Chang, PAMLab, Boston University - Project: Intoxication in bilingual speech

## REVIEWING

2025	PLC 49, PEER
------	--------------

## SERVICE

2024-Present	<b>Social Committee Chair</b> , Cornell Linguistics Circle
2024-Present	<b>Junior Editor</b> , the 34th Semantics and Linguistic Theory (SALT34)
2025	<b>Organizer</b> , the 34th Formal Approaches to Slavic Linguistics (FASL34)
2025	<b>Open House organizer</b> , Department of Linguistics, Cornell University
2024	<b>Open House organizer</b> , Department of Linguistics, Cornell University
2023-2024	<b>Social Committee</b> , Cornell Linguistics Circle

## SKILLS

**Languages:** Mandarin Chinese (native), English (proficient), Spanish (intermediate)

**Programming:** Python [pandas, NumPy, transformers, PyTorch]; R; C++; C; Git;

**Linguistics tools:** PCIBex, Praat, Gorilla, Eyetracker

## RESEARCH INTERESTS

Psycholinguistics, computational linguistics, semantics/pragmatics, language modeling, experimental and computational methods

**References available upon request.**
